7.3 LIST OF PREPARERS AND REVIEWERS7-47

7.0 REFERENCES AND LISTS

7.1 DISTRIBUTION LIST

Federal Agencies & Commissions

Marine Mammal Commission
National Marine Fisheries Services
National Oceanic and Atmospheric Administration, Northwest Region NEPA Coordinator
National Oceanic and Atmospheric Administration, Office of Protected Resources
Pacific Fishery Management Council
Puget Sound Naval Shipyard and Intermediate Maintenance Facility (PSNS & IMF)
U.S. Army Corps of Engineers, Seattle District
U.S. Department of Agriculture, Animal and Plant Health Inspection Service (APHIS)
U.S. Fish & Wildlife Service, Western Washington Office
U.S. Environmental Protection Agency, Region 10

State Agencies & Elected Officials

Governor's Office of Indian Affairs
Puget Sound Partnership
United States Representatives
United States Senators
Washington Commissioner of Public Lands
Washington Department of Archaeology & Historic Preservation
Washington State Department of Ecology, Director
Washington State Department of Ecology, SEPA Unit
Washington State Department of Fish and Wildlife
Washington State Department of Health
Washington State Department of Natural Resources
Washington State Office of the Attorney General
Washington State Office of the Governor
Washington State Representatives, District 23
Washington State Representatives, District 24
Washington State Senator, District 23
Washington State Senator, District 24

Regional Agencies & Schools

City of Bremerton
City of Port Orchard
City of Port Townsend
City of Poulsbo
Hood Canal Coordinating Council
Hood Canal Dissolved Oxygen Program

Jefferson County
Jefferson County Commissioners
Kitsap Conservation District
Kitsap County
Kitsap County Board of County Commissioners
Kitsap County Community Development
Kitsap County Health District
Kitsap Regional Coordinating Council
Mason County Commissioners
Northwest Straits Commission
Olympic Region Clean Air Agency
Sakai Middle School

Native American Organizations

Jamestown S'Klallam Tribe
Lower Elwha Klallam Tribe
Northwest Indian Fisheries Commission
Point No Point Treaty Council
Port Gamble S'Klallam Tribe
Skokomish Tribal Nation
Skokomish Tribal Center

Organizations

American Cetacean Society, Puget Sound Chapter
American Society for the Prevention of Cruelty to Animals
Animal Legal Defense Fund
Animal Protection Institute
Animal Welfare Institute
Association for Assessment and Accreditation of Laboratory Animal Care International
Association of Veterinarians for Animal Rights
Beach Watchers
Center for Biological Diversity
Center for Whale Research
Earth Island Institute
Earth Share of Washington
FRIENDS of the San Juans
Global Research & Rescue
Ground Zero Center for Nonviolent Action
Hood Canal Salmon Enhancement Group
Humane Society International, Treaty Law, Oceans and Wildlife Protection
Humane Society of the United States
Knitting for Dolphins
Long Live the Kings
MMRA

Natural Resources Defense Council
New England Anti-Vivisection Society
Northwest Animal Rights Network (NARN)
Northwest Environmental Defense Center
Ocean Advocates
Oceancare
Olympic Coast Alliance
Orca Alliance
Orca Conservancy
Orca Network
Orca Relief Citizens Alliance
Pacific Marine Conservation Council
Pasado's Safe Haven
People for Ethical Treatment of Animals (PETA)
People for Puget Sound
Progressive Animal Welfare Society (PAWS), Lynwood
Raging Grannies
Shared Strategy for Puget Sound
Sierra Club, Cascade Chapter
The Nature Conservancy, Skagit River Office
United Animal Nations

Businesses

Art Anderson Associates
Battelle Marine Sciences Laboratory
Diana Thater Studio
Marine Sonic Technology, Ltd.
Northrop Grumman, Undersea Systems

7.3 LIST OF PREPARERS AND REVIEWERS

Department of the Navy—SSC San Diego

Shannon Kasa

Navy Project Manager
B.S.E. Chemical Engineering, 1985, Arizona State University
22 years experience

George Hart

Cumulative Impacts and NEPA
NW Regional Senior Biologist
B.A. Wildlife Science 1994, University of Washington
M.S. Fish and Wildlife Management 1995, University of Washington
22 years experience

Greg Leicht

Chapter 1(Regulatory Considerations and Tribal Interactions) and Appendix H
Environmental Director
Naval Base Kitsap
B.S. Civil Engineering, 1979, Bradley University
29 years experience

Steve Hugueley

Chapter 2 (Alternatives), Classified Annex
24 years experience with Marine Mammal Systems
Specifically, 10 years experience with Swimmer Interdiction Systems

Tom LaPuzza

Public Involvement, Public Affairs Team Lead, Appendix C (Combat Swimmers
Background Information), Appendix D (ROV Background Information)
B.A. English, 1968, University of San Diego
38 years experience

Mark Xitco

Special Considerations (Chapter 6), Appendix A (MMP Program at SSC San Diego) and
Appendix B (Supplemental Information to Appendix A on Disease Transmission Prevention
and Cold Stress Avoidance)
Head, Scientific and Veterinary Support
B.A. Aquatic Biology, 1986, University of California, Santa Barbara
B.S. Biopsychology, 1986, University of California, Santa Barbara
M.A. Cognitive Psychology, 1988, University of Hawaii
Ph.D. Psychology, 1996, Southern Methodist University
25 years experience

Dorian Houser

Special Considerations (Chapter 6), Cold Water and Noise Effects to MMP Marine Mammals and Appendix B (Supplemental Information to Appendix A on Disease Transmission Prevention and Cold Stress Avoidance)
B.A. Biology (Summa Cum Laude with Honors), 1992, Coker College
Ph.D. Biology, 1998, University of California, Santa Cruz
14 years experience

Stephanie Venn-Watson

Disease Effects to MMP Marine Mammals, Appendix A (MMP Program at SSC San Diego) and Appendix B (Supplemental Information to Appendix A on Disease Transmission Prevention and Cold Stress Avoidance)
B.S. Animal Physiology and Neuroscience, 1994, University of California, San Diego
D.V.M. Veterinary Medicine, 1999, Tufts University School of Veterinary Medicine
M.P.H. Public Health & Epidemiology, 2000, Emory University, Rollins School of Public Health
National Research Council Associate, 2001, National Academies of Science, United States Navy Marine Mammal Program, San Diego, CA
8 years experience

Sheila Murray

Public Involvement
15 years experience in environmental support
3 years experience in public affairs

Scott E. Miller

Counsel, Space and Naval Warfare Systems Center San Diego
B.A. History, 1978, State University of New York at Albany
J.D. Law, 1981, University of Dayton
25 years experience

Navy Consultants**Kevin M. Smith**

Chapter 1 (Purpose and Need), Chapter 2 (Alternatives) and Classified Annex
Johns Hopkins University / Applied Physics Laboratory
Operations Analyst
B.S. Mathematics, 1983, Loyola College, MD
25 years experience

Joel Tiller

Chapter 2 (Alternatives)
ITT, Advanced Engineering and Sciences
Acquisition and Logistics Management Division
Expeditionary and Undersea Warfare Directorate
Panama City Operations Manager
MA, International Relations, University of Southern California, 1983
25 years experience

Michael Letourneau

NEPA, Candidate Species and Species of Concern, Water Quality
Senior Support Specialist – National Marine Mammal Foundation
A.A. 1980, Roger Williams College
B.S. Marine Biology, 1980, Roger Williams College
M.S. Environmental Toxicology, 1982, University of Washington
28 years experience

EIS Contractor—Science Applications International Corporation (SAIC)

Ted Turk

Project Manager, Environmental Consequences (Chapter 4), Cumulative Impacts (Chapter 5)
and Special Considerations (Chapter 6)
B.A. Biology, 1970, Williams College
Ph.D. Ecology, 1978, University of California, Riverside, and San Diego State University
27 years experience

Pamela Gunther

EIS Task Leader, Wildlife, Vegetation, Coastal and Shoreline Management, Land Use,
Recreation, Environmental Consequences (Chapter 4), Cumulative Impacts (Chapter 5) and
Special Considerations (Chapter 6),
B.S. Forest Resources, Wildlife, 1979, University of Washington
M.A. Biology, 1986, California State University
25 years experience

John Nakayama

Hydrography, Water Quality, Sediment
B.S. Oceanography, 1989, University of Washington
M.S. Oceanography, 2003, University of Washington
17 years experience

Maureen Goff

Marine Vegetation, Benthic Communities, Plankton
B.S. Industrial and Environmental Health Management, 1991, Ferris State University
11 years experience

Jennifer Wallin

Marine Vegetation, Benthic Communities, Plankton, Transportation, Appendix B
(Supplemental Information to Appendix A on Disease Transmission Prevention and Cold
Stress Avoidance)

B.S. Biology, 1995, Pacific Lutheran University

M.S. Environmental Toxicology, 1997, Clemson University

10 years experience

Chris Hunt

Fish

B.S. Biology, 1998, Oregon State University

M.S. Environmental Science, 2001, Oregon State University

9 years experience

Alison Agness

Wildlife

B.S. Wildlife Science, 2000, University of Washington

M.S. Aquatic and Fishery Sciences, 2006, University of Washington

7 years experience

Julie Grialou

Wildlife

B.S. Biological Anthropology, 1990, Harvard University

M.S. Wildlife Science, 1995, University of Washington

16 years experience

Mark Dagel

Surface Water, Groundwater, Geology, Soils

B.A. Geology, 1980, University of Wisconsin

M.S. Geology, 1985, University of Maine

22 years experience

Lauren Brown

Vegetation

B.S. Ecology and Systematic Biology, 1991, California Polytechnic State University

13 years experience

Mike Slater

Noise

B.S. Mechanical Engineering, 1985, Washington State University

M. Eng, Acoustics, 1995, Pennsylvania State University

M.B.A. 2006, Colorado State University

22 years experience

Chris Crabtree

Air Quality

B.A. Environmental Studies, 1978, University of California, Santa Barbara

20 years experience

Lorraine Gross

Cultural Resources

B.A. Anthropology, 1975, Pomona College

M.A. Anthropology (Archaeology), 1986, Washington State University

25 years experience

Michele Fikel

Land Use and Recreation

B.A. Geography, 1985, University of California, Santa Barbara

18 years experience

Irene Johnson

Socioeconomics, Utilities

B.S. Economics, 1989, George Mason University

M.A. Economics, 1991, University of Washington

18 years experience

Vladimir I. Osychny

Water Quality Modeling (Appendix F)

B.S. Ph.D. - Physical Oceanography, University of Rhode Island, 2006

M.Sc. - Physical Oceanography, Massachusetts Institute of Technology/Woods Hole
Oceanographic Institution Joint Program in Oceanography, 1997

B.Sc. - Oceanography, M.V. Lomonosov Moscow State University, 1986

22 years experience
